On March 26, 2007 the Extraordinary Shareholders' Meeting voted to adopt a new share-based incentive plan and approved the applicable regulations. The Plan, called "DiaSorin S.p.A. Stock Option Plan" (or "**2007-2012 Plan**") will benefit specifically identified executives and employees of DiaSorin S.p.A. and its subsidiaries.

Also on March 26, 2007, the Extraordinary Shareholders' Meeting, acting pursuant to Article 2443 of the Italian Civil Code, authorized a capital increase of up to 1,000,000 euros, to be carried out in one or more installments through March 26, 2012. The Company's share capital will be increased through the issuance of up to 1,000,000 common shares, par value 1 euro each with regular ranking for dividends. Suspending the preemptive right of other shareholders, as allowed by Article 2441, Section 8, of the Italian Civil Code, these shares will be offered for purchase through subscription to key executives and employees of DiaSorin S.p.A. and its subsidiaries at a price that shall not be less than the simple average of the official prices of the DiaSorin shares on the Online Stock Market during the period between the date of award of the options and the same day in the previous calendar month (fair value).

The Board of Directors shall have jurisdiction over implementation of the Plan and, acting pursuant to the Plan's Regulations, it shall designate the beneficiaries, decide the number of options that will be awarded, set the option exercise dates and shall adopt any other resolution that may be necessary for the optimum management and implementation of the Plan. Section 4 reports the aforementioned batches net of the Options later expired pursuant to events of Bad Leaving.

The options can be exercised exclusively during the abovementioned exercise period. When and to the extent that the options are exercisable, beneficiaries may exercise all or part of their options. 2010 Plan

The Shareholders' meeting of the Company has further approved the adoption of a plan to incentivize and increase the loyalty of employees called "DiaSorin S.p.A. 2010 Stock Option Plan" (the "2010 Plan"), reserved for executives and employees of DiaSorin S.p.A. ("DiaSorin" or the "Company") and the companies that it controls directly or indirectly (hereinafter the "Subsidiaries" and, together with DiaSorin, the "Group"), pursuant to Article 144-*bis* of Legislative Decree No. 58/1998 ("Uniform Financial Code"), which shall be implemented through free grants of options valid to buy common treasury shares held by the Company.

The Information Memorandum about the 2010 Plan, prepared in accordance with Article 84-*bis* of the Issuers' Regulations, has been made available to the public within the deadline and in the manner required pursuant to law.

1. Reasons for Adopting the 2010 Plan

The purpose of the 2010 Plan is to continue the policy of incentivizing and increasing the loyalty of key Group employees by making them feel part of the Company's ownership base, thereby helping retain within the Group their specific competencies by allowing them to share in the Company's profits and future growth.

2. Subject and Implementation Method of the 2010 Plan

The 2010 Plan calls for free grants, to each of the beneficiaries identified within the categories of recipients listed in Section 3 below (hereinafter the "Beneficiaries"), of options (hereinafter the "Options") that convey to the Beneficiary the right to buy common treasury shares held by the Company, based on the ratio of 1 share for each exercised Option, in accordance with the terms and conditions of the 2010 Plan, at a price that will be determined by the Board of Directors at the time of the Option grant, in an amount that shall not be less than the simple average of the official prices at which the DiaSorin common shares traded on the Online Stock Market organized and operated by Borsa Italiana S.p.A. during the period between the Option Grant Date (as defined below) and the same day of the previous calendar month (hereinafter the "Exercise Price").

For the purpose of implementing the 2010 Plan, the Company's Ordinary Shareholders' Meeting held on April 27, 2010 approved a motion to authorize the Board of Directors to execute transactions to buy and dispose of treasury shares, pursuant to and for the purposes of Article 2357 and Article 2357-*ter* of the Italian Civil Code and Article 132 of the Uniform Financial Code and related implementation provisions, reserved for use in connection with the 2010 Plan. For additional information, please consult the respective explanatory report prepared in accordance with Article 73 of Consob Regulation No. 11971/1999, as amended (hereinafter the "Issuers' Regulations"), which was made available to the public within the deadline and in the manner required pursuant to law.

At the date of this report, the Company holds nr. 750.000 treasury shares for use in connection with the 2010 Plan. None of its subsidiaries hold DiaSorin shares.

The 2010 Plan provides for a total maximum amount of n. 750,000 Options to be awarded to Beneficiaries. The Options awarded under the 2010 Plan will convey to the Beneficiaries the right to acquire up to 750,000 common shares, at the Exercise Price, based on a ratio of 1 share for each awarded exercised Option, in accordance with the terms and conditions of the 2010 Plan, as explained below.

The Company will make available to the Beneficiaries the shares they are entitled to receive following the exercise of their Options within and not later than 10 (ten) business days after the end of the calendar month during which the Options were exercised. The shares attributable to the Beneficiaries following the exercise of the Option shall have the same ranking for dividends as the Company's common shares on the date of purchase and shall carry the coupons in effect as of that date.

3. Beneficiaries of the 2010 Plan

The 2010 Plan is addressed to parties who, on the Option grant date (the "Grant Date") are full-time employees of the Company or one of its Subsidiaries. They are top executives who perform the management functions referred to in Article 152-*sexies*, Section 1 of Consob Resolution No 11971/99, i.e. Messrs Carlo Rosa and Chen M. Even, also appointed as directors, Pier Luigi De Angelis (succeeded in the position of C.F.O., formerly covered by Mr. Andrea Senaldi), Stefano Ronchi and Francesco Colotta, strategic executives and other key employees of DiaSorin S.p.A. and its subsidiaries.

On each Grant Date, the Board of Directors will designate the individual Beneficiaries, within the abovementioned categories, and determine the number of Options awarded to each Beneficiary, taking into account the number, category, organizational level, responsibilities and professional competencies of the Beneficiaries.

The Board of Directors may delegate its powers, tasks and responsibilities in connection with the execution and implementation of the 2010 Plan to the Chairman of the Board of Directors, the Deputy Chairman and/or DiaSorin's Chief Executive Officer, it being understood that the Board of Directors shall have sole jurisdiction over any decision related to and/or concerning a grant of Option to a Beneficiary who is also the Chairman and/or Deputy Chairman and/or DiaSorin's Chief Executive Officer, as well as over any other decision related and/or pertaining to the management and/or implementation of the 2010 Plan concerning the abovementioned parties.

Consistent with the guidelines of the Corporate Governance Code of Borsa Italiana S.p.A., the Compensation Committee provides consulting support and makes recommendations with regard to the implementation of the 2010 Plan.

An ongoing employment relationship with DiaSorin or a Subsidiary is an eligibility requirement for the 2010 Plan.

Specifically, under the 2010 Plan, if the employment relationship is ended as a result of a bad leaver situation, all options awarded to the Beneficiary shall lapse and shall become null and void. Bad leaver refers to situations when the employment relationship is ended due to:

- (i) firing of a Beneficiary for cause or (a) violation by the Beneficiary of the laws governing employment relationships; (b) criminal conviction of the Beneficiary of a crime resulting from a malicious or negligent act;
- (ii) resignation by the Beneficiary not justified by the occurrence of (a) withdrawal from the employment relationship due to a Beneficiary's physical or mental disability (caused by illness or accident) resulting in inability to work for more than 6 (six) months; (b) death of the Beneficiary.

If the employment relationship is ended as a result of a good leaver situation, the Beneficiary will retain the right to exercise his/her awarded options proportionately to the length of his/her employment after the Grant Date, as against the length of time running between the Grant Date and the initial Option exercise date. Options that are not exercisable shall become void automatically, thereby releasing the Company from any obligation or liability.

Good leaver refers to situations when the employment relationship is ended due to (i) firing without cause; (ii) withdrawal from the employment relationship due to a Beneficiary's physical or mental disability (caused by illness or accident) resulting in inability to work for more than 6 (six) months; (iii) death of the Beneficiary; (iv) retirement of the Beneficiary; and (v) loss of the status of subsidiary by the company employing the Beneficiary.

4. Duration of the 2010 Plan and Exercise of the Options

The Options awarded to a Beneficiary may be exercised in accordance with the provisions of the 2010 Plan Regulations and the corresponding option contract.

Under the 2010 Plan, (i) Options may be awarded to Beneficiaries identified by the Board of Directors over a period of three years from the date when the 2010 Plan Regulations are approved; and (ii) Options are exercisable during the exercise periods defined in the 2010 Plan Regulations and/or the option contract, it being understood that awarded Options may not be exercised for a period of three years following the Grant Date.

Under the 2010 Plan, the exercise of the Options by the Beneficiaries shall be suspended during the period between the day following the date of any meeting of the Board of Directors held for the purpose of approving a resolution to convene a Meeting of the holders of DiaSorin S.p.A. common shares and the day when the Shareholders' Meeting in question is held, whether on the first or a subsequent calling, and, moreover, the record date of any dividends approved by the same Shareholders' Meeting. The Board of Directors shall also have the right to suspend the Beneficiaries' right to exercise their Options during certain periods of the year. In such cases, the Board of Directors shall send a special written notice to each Beneficiary.

Options are awarded on a personal basis and may be exercised exclusively by the Beneficiaries. Unless the Board of Directors resolves otherwise and except for the provisions applicable in the event of interruption of an employment relationship (including transfers due to death), Options may not be transferred or negotiated, pledged or otherwise encumbered by the Beneficiary and/or provided as collateral both as a result of a contract or pursuant to law.
