It would appear appropriate that the Company be given the power to purchase treasury shares also

after the above deadline. A proposal was therefore put to the Shareholders to approve a new authorisation to purchase and dispose of treasury shares.

The **Chairman** reminded the attendees that the Explanatory Report of the Board of Directors provided pursuant to the Issuers' Regulation was made available to the public in the manner and within the deadline required pursuant to law and included in the report "Explanatory Reports and Proposed Resolution on the Items on the agenda", in turn deposited and published within the statutory deadline.

The **Chairman** then read the motions contained in the Report of the Board of Directors relating to the fifth item on the agenda, as transcribed *below*.

There being no change in attendance and no objections to be made, the **Chairman** asked the shareholders to cast their vote (at 11.40) for or against the motion read and transcribed below, through the DR's communication of the votes expressed on the basis of the voting instructions received (**specifying, for this voting, to have proxies for a total of no.79,856,079 votes equal to 90.290% voting rights counting shares with increased voting rights and shares with no voting instructions amounting to 2,564 votes, equal to 0.003% of voting rights** considering shares with increased voting rights):

*"The Ordinary Shareholders' Meeting of DiaSorin S.p.A,
having reviewed the Report of the Board of Directors,*

resolves

(A) to authorise the purchase and disposal of ordinary shares for the purposes indicated in the Report of the Board of Directors attached to these minutes, and therefore:

- 1. to authorise, pursuant to and for the purposes of Article 2357 of the Civil Code, the purchase, on one or more occasions, for a period of eighteen months from the date of the resolution of the ordinary Shareholders' Meeting, of ordinary shares of the Company up to a maximum of 1,500,000 ordinary shares, at an amount no less than a minimum of 15% and no more than a maximum of 15% of the official share price of DiaSorin S.p.A. on the trading day prior to each single purchase transaction, in compliance with the trading conditions established in Article 3 of Commission Delegated Regulation (EU) 2016/1052; however, the maximum number of treasury shares held at any time in implementation of this resolution should never exceed the ceiling set forth in the current applicable regulations, counting also any Company shares held by its subsidiaries;*
- 2. to appoint the Board of Directors, and on its behalf, the Chairman and CEO, even separately, to identify the number of shares to purchase in relation to each purchase program, for the purposes indicated above, prior to the start of said program, and to purchase shares according to the procedures established in applicable provisions of Consob Regulation 11971/1999 (as amended) implementing Article 132 of the TUF, in compliance with conditions on trading set out in Article 3 of Commission Delegated Regulation (EU) 2016/1052 and in the stages considered appropriate in the interest of the Company, assigning the widest-ranging power to carry out the purchase as of this resolution and all related formalities, including the appointment of intermediaries qualified by law and the power to appoint special attorneys-in-fact;*
- 3. to authorise the Board of Directors and, on its behalf the Chairman and CEO in office, separately, so that, pursuant to and for the purposes of Article 2357-ter of the Civil Code, they may dispose of, at any time, wholly or in part, once or on several occasions, ordinary treasury shares purchased based on this resolution, or in any case already in the Company's portfolio, without time limits, also before ending the purchases through (i) the allocation of said for convertible bonds issued by the Company, according to the terms and conditions established therein, as well as the incentive and loyalty plans adopted by the Company, and/or (ii) the disposal of said on the regulated market Euronext*

Milan or outside this market, also through the disposal of rights in rem and/or personal rights, including, by way of example, equity loans, in compliance with legal provisions and regulations in force and to achieve the purposes of this resolution, according to the terms, procedures and conditions of the disposal of the ordinary treasury shares considered most appropriate in the interest of the Company, assigning said, separately, the widest-ranging powers to carry out the transactions indicated in this resolution, and all other related formalities, including any appointment of intermediaries qualified in accordance with law with power to appoint special attorneys-in-fact. Transactions to use treasury shares in the portfolio will in any case be carried out in compliance with laws and regulations in force on the trading of listed securities, including the practices permitted by Consob in accordance with Article 13 of the MAR, where applicable, and may take place with one or more solutions, in gradual stages considered appropriate in the interest of the Company. The authorisation in this point (A) 3) is granted without time limits and shall be considered as issued also with reference to treasury shares already held by DiaSorin S.p.A. at the date of this resolution;

to order that, pursuant to law, the purchases subject of this authorization be contained within the limit corresponding to the distributable earning and available reserves shown in the latest duly approved financial statements (also semi-annual) available when the transaction is executed, and that all of the accounting entries required pursuant to law and the applicable accounting principles be made in connection with the purchase and disposition of treasury shares."

The Shareholders' Meeting approved the motion by a majority of the votes cast.

In favor: 79,515,413 votes.

Against: 273,331 votes.

Abstained: 60,335 votes.

A list of parties who conferred their proxies to the DR, with the number of shares held and voting details is provided under Annex "A".
