

DIASORIN - POLICLINICO SAN MATTEO HOSPITAL IN PAVIA VS. TECHNOGENETICS

Saluggia, December 17, 2020 – DiaSorin acknowledges with great pleasure the ruling by the State Council that accepted the appeal on the validity of the Validation Agreement signed with the Policlinico San Matteo Hospital in Pavia regarding the COVID-19 serology tests, contested by Technogenetics, a Chinese-owned company.

This ruling definitely ascertained that DiaSorin and the Policlinico San Matteo Hospital in Pavia have righteously behaved in the validation process for the tests of DiaSorin.

“We have always reiterated the correctness and transparency of our behavior, as confirmed today by the State Council. DiaSorin and the Policlinico San Matteo Hospital in Pavia are two Italian and international excellences that focused on combating the current pandemic”, commented Carlo Rosa, CEO of DiaSorin. “This is a decision that impacts the overall research in Italy, as it clarifies the grounds for the cooperation between public institutions and private companies for clinical trials that, in the end, help improving the health of the people”.
