

DIASORIN BECAME A MEMBER OF THE ISBT

February 17, 2012 - Saluggia (VC) - DiaSorin S.p.A. (FTSE MIB:DIA) has recently become a member of the ISBT as "Gold Corporate Member".

The International Society of Blood Transfusion (ISBT) is the premier international professional society for the field encompassing transfusion and transplantation science and medicine.

DiaSorin chose ISBT as partner, totally sharing its current strategic vision in "*facilitating knowledge about transfusion medicine to serve the interests of donors and patients*".

The ISBT will contribute in building DiaSorin's business with new contacts in the blood transfusion field, as well as in boosting DiaSorin's corporate brand visibility.

The ISBT membership further positions DiaSorin as a reliable player in the blood bank market offering a broad array of high quality products, among which the complete ELISA Blood Bank panel (the MUREX line).

Mr. Carlo Rosa, CEO of DiaSorin Group, commented "*I'm really proud of the membership with the ISBT, which reinforces our attention and passion to the blood screening market and, eventually, sets a new step towards our future goals*".
